The Kiln Post

Hi there,

The weather is beginning to warm, the saguaro flowers are starting to bloom, and our winter friends are heading to their cooler-climate homes up north. That must mean one thing - summer is coming! But even though the heat is on its way, there's still a lot going on in town! We have a SACA Social at Janet Burner's lovely studio happening this May (details below!). Many of our members will be participating in local shows and markets in the coming weeks. Plus, there's always wonderful artwork to be seen in our local museums, galleries and even parks (like the Sculpture

Garden at Brandi Fenton). I encourage you to take some time for yourself to get out and enjoy all that our community has to offer. And be sure to tag SACA in your social media posts so we can reshare what our members are up to!

And before I leave you with our newsletter, I'd like to give a big thanks to Janet Burner for coordinating our April Jury Session, and to her team of jurors for their expertise. We appreciate the work you do for the SACA community and look forward to seeing our newest juried-members in our shows later this year!

Happy May,

~melissa
